

PORT ELIZABETH DIOCESE

CATHOLIC BUSINESS DIRECTORY

ST JOSEPH THE WORKER

SUPPORT YOUR COMMUNITY AND THEY WILL SUPPORT YOU

This is the first edition of the Catholic Business Directory for the Port Elizabeth diocese. The intention of this directory is for Catholics from the various parishes in the diocese to support each other as members of a community.

Every business is welcome, no matter how big or small. There is one stipulation, however, and that is that this directory is ONLY for Catholics who are members of a parish within the Port Elizabeth Diocese and who will benefit directly from their businesses being advertised, as either owners, partners or by earning commission from sales etc.

Entries are free and anyone wishing to have their business added to the next edition of the directory can either email their details to sassy@telkomsa.net or fax them to 086 6681957. We would like feedback from people who use the services of businesses advertised in this directory as well as from the businesses listed.
